The background image shows a modern shopping mall interior. The ceiling is a curved, multi-level structure with warm wooden slats and integrated lighting. The floor is highly reflective, mirroring the ceiling and the people walking. Several people are visible, including a woman holding a child's hand. Storefronts with large glass windows are visible on the right side. A large, abstract, light-colored graphic element curves along the right edge of the frame.

**ONE THING IS FOR CERTAIN,
THIS INDUSTRY IS DYNAMIC
AND ALWAYS CHANGING.**
